

Chapel of Hope

**CHAPEL PROJECT NO. 9:
Allred Chapel – TDCJ Allred Unit
Wichita Falls, Texas**

Join with Us to Help Build the Next Chapel of Hope!

Plans are underway to build Chapel of Hope's 9th prison chapel for the 3,682 male inmates housed at the Texas Department of Criminal Justice (TDCJ) Allred Unit in Wichita Falls, Texas.

The Allred Chapel, which will be built to the specifications of other prison buildings in the TDCJ, includes:

- A sanctuary that seats 500 inmates
- A sound system for worship services
- Chaplain's offices and work area
- Air-conditioning, cold water fountain, baptistry, library
- Kitchenette for Kairos Prison Ministry, Day with Dads, family graduation ceremonies, staff recognition ceremonies, etc.
- 3 classrooms for weekly Bible studies and spiritual training
- 3 Restrooms for staff, visitors, and offenders
- Storage area

Every community needs a church, and the Allred Unit is no different. With the help of prison chaplain staff and Field Minister graduates from TDCJ Offender Seminary at the Darrington Unit, inmates who come to the Allred Chapel will have a safe and supportive place where they can find Jesus Christ, learn how to be a moral person, and experience spiritual restoration.

But to make the Allred Chapel a reality and to build the 9th Chapel of Hope in the Texas prison system, we need help from caring friends like you.

GIVE TODAY and Help Set the Souls of Inmates Free for Eternity

Investing in the construction of a new chapel is the only gift that will continue to be used to help save souls and transform lives for the next 100 years.

Each Chapel of Hope has been built by individuals like you who take a step of faith and give financially as God leads.

It will cost \$1.4 million to construct the Allred Chapel. The cost may be great, but you can't put a price on the cost of a lost soul. Carefully consider the eternal benefits to our families of having a safer community, because released offenders' lives are transformed into becoming moral men and productive citizens.

With every gift given by generous friends like you, the Allred Chapel *can* be built as a place to bring about real life transformation.

As you join with other supporters in the private sector to help build the Allred Chapel, TDCJ will provide building maintenance, utilities, staff chaplains, and access by ministry volunteers as long as the prison exists.

Since prisons seldom close, they are used continuously for more than 100 years. So you can give with confidence knowing that *what you invest today* will help impact lives for generations to come!

"Prison didn't make me a better person. But when I began to worship inside a Chapel of Hope, my life changed and I began an eternal relationship with Jesus Christ."

— Inmate Manley Milligan
