

Chapel of Hope

CHAPEL PROJECT NO. 11
Gurney Chapel
TDCJ Gurney Transfer Unit
Palestine, Texas

Join with Us to Help Build the Next Chapel of Hope at the Gurney Unit!

Plans are underway to build Chapel of Hope's 11th prison chapel for up to 2,128 male inmates in this low security correctional facility. Inmates are housed together in dormitories or cubicle housing at the Texas Department of Criminal Justice (TDCJ) Gurney Transfer Unit in Palestine, Texas.

Every community needs a church, and the Gurney Unit is no different. With the help of prison chaplain staff and other faith-based ministry volunteers, inmates who come to the Gurney Chapel will have a safe and supportive place where they can find Jesus Christ, learn how to be a moral person, and experience spiritual restoration.

The Gurney Chapel, which will be built to the specifications of other

- A sanctuary that seats 350 inmates
- A sound system for worship services
- Chaplain's offices and work area
- Air-conditioning, cold water fountain, baptistry, library
- Kitchenette for Kairos Prison Ministry, Day with Dads, family graduation ceremonies, staff recognition ceremonies, etc.
- 3 classrooms for weekly Bible studies and spiritual training
- 3 Restrooms for staff, visitors, and offenders
- Storage area

But to make the Gurney Chapel a reality and to build the 11th Chapel of Hope in the Texas prison system, we need help from caring friends like you.

Investing in the construction of a new chapel is the only gift that will continue to be used to help save souls and transform lives for the next 100 years.

GIVE TODAY and Help Set the Souls of Inmates Free for Eternity

Each Chapel of Hope has been built by individuals like you who take a step of faith and give financially as God leads.

It will cost \$1.4 million to construct the Gurney Chapel. The cost may be great, but you can't put a price on the cost of a lost soul. Carefully consider the eternal benefits to our families of having a safer community,

because released offenders' lives are transformed into becoming moral men and productive citizens.

With every gift given by generous friends like you, the Gurney Chapel *can* be built as a place to bring about real life transformation.

As you join with other supporters in the private sector to help build the Gurney Chapel, TDCJ will provide building maintenance, utilities, staff chaplains, and access by ministry volunteers as long as the prison exists.

Since prisons seldom close, they are used continuously for more than 100 years. So you can give with confidence knowing that *what you invest today* will help impact lives for generations to come!

“With a Chapel of Hope, Gurney inmates could be baptized and have a place to worship and surrender their wills to God. A place where we can invite God into our hearts.”

— Inmate Shane Springer
